Professional Summary

Aspiring **AI & Machine Learning student** with strong foundations in Java, Data Structures, and problem solving. Interested in building scalable software systems and machine learning applications. Seeking opportunities to apply technical knowledge in real-world projects and internships.

Education

B.Tech in Artificial Intelligence and Machine Learning 2024–2027
Sri Vasavi Engineering College, Tadepalligudem, Andhra Pradesh
CGPA: 7.5/10

Diploma in Computer Science and Engineering 2020–2023
Smt. B. Seetha Polytechnic, Bhimavaram, Andhra Pradesh
Percentage: 73.94%

Secondary School Certificate (SSC) 2021
Z.P. High School, Kesavaram, Andhra Pradesh
Score: 424 / 600

Technical Skills

- **Languages:** Java, Python, C, R
- **Frameworks / Web:** React.js, Node.js, Express.js, HTML, CSS
- **Databases:** MySQL, MongoDB
- **DevOps / Tools:** Git, GitHub, VS Code
- **Cloud Platforms:** AWS, Google Cloud Platform (GCP)
- **Concepts:** Data Structures and Algorithms, OOP, DBMS
- **Operating Systems:** Windows, Ubuntu

Experience

Industrial Trainee – Techin IT Process Private Limited Dec 2022 – Jun 2023

- Completed a **6-month industrial training program**, gaining hands-on experience in software development practices.
- Assisted in developing and testing **2+ small-scale applications**, improving understanding of real-world workflows.
- Practiced programming using **Java and Python**, solving **50+ coding problems** to strengthen problem-solving skills.
- Collaborated with a team of **3–5 members** to understand project lifecycle and version control using Git.
- Improved debugging and logical thinking skills, reducing code errors during practice sessions by **~30%**.

Certifications

- Artificial Intelligence — Edunet Learning Program (2026)
- Web Development Fundamentals — IBM SkillsBuild (2025)
- Python 101 for Data Science — IBM (2025)
- EF SET English Certificate (B1 Intermediate) (2025)

Technical Focus

- Artificial Intelligence and Machine Learning fundamentals
- Data Structures and Algorithms using Java
- Backend development using REST APIs
- Web development using HTML, CSS, JavaScript
- Cloud computing basics using AWS
